

Lindsay Goldberg Vogel

## **Lindsay Goldberg acquires VDM group**

**Düsseldorf/Werdohl, April 17<sup>th</sup>, 2015. Private equity firm Lindsay Goldberg LLC, New York, in Central Europe represented by Lindsay Goldberg Vogel GmbH, has acquired the VDM group from ThyssenKrupp.**

Lindsay Goldberg plans to support the international expansion of VDM by providing appropriate financial means.

The purchase price has not been disclosed. Completion of the transaction is subject to the approval of the supervisory boards and the responsible antitrust authorities.

At the end of February 2014, ThyssenKrupp acquired 100% of shares in VDM from Outokumpu in the course of necessary refinancing measures.

The VDM group, with headquarters in Werdohl, employs approximately 2,000 people worldwide.
